EPQ Curriculum Intent Statement

“Be a free thinker and don’t accept everything you hear as truth. Be critical and evaluate what you believe in”.

Aristotle

- Take responsibility for an individual task
- Develop and improve own learning and performance as critical, reflective and independent learners
- Develop and apply decision making and problem solving skills
- Extend planning, research, critical thinking, analysis, synthesis, evaluation and presentation skills
- Develop and apply skills, creatively demonstrating initiative and enterprise
- Transfer skills developed as part of project to other areas of study
- Use learning experiences to support personal aspirations for further education and career development
